

Company Profile

Swagelok
West Houston

Swagelok West Houston | More Than Parts — Partnerships

Founded originally in 1987 as West Houston Valve and Fitting, Swagelok West Houston is proud of our 30-year heritage and commitment to serving our customers in the West Houston area. Our company was built on a foundation of values and we are passionate about understanding our customers' challenges and opportunities and providing them with local expertise and services to help them succeed. Our knowledgeable sales and service team, technical expertise, and unmatched reliability are what make us a preferred supplier of Swagelok products and services.
