

Biography

Di Xu

Vice President, Corporate Controller

Di Xu joined Swagelok Company as controller in 2015 and was promoted to vice president, corporate controller in 2022. She is responsible for managing the company's financial reporting and external audits, as well as developing and maintaining company-wide finance and accounting policies.

Earlier in her career, Di worked for Avery Dennison, Dental Care Partners, and American Greetings, where she held leadership roles in accounting and financial reporting. She most recently served as vice president, corporate controller for Associated Materials.

Di holds a bachelor's degree in literature from Peking University, a master's degree in economics from the University of New Mexico, and a master's degree in accounting from The University of Akron, as well as an active CPA license.

Outside of work, Di and her family love to travel the world to see remarkable landscapes, explore new cultures, and enjoy local food.
