## Michael DiCesare

### Vice President, Information Technology

---

Michael DiCesare joined Swagelok Company in 2020 and was named vice president, information technology (IT) in 2023. In this role, Michael and his team serve as strategic business partners to the organization, focusing on key areas including business operations, data and analytics, SAP B1 optimization, collaboration tools and technologies, digital, and security among others. He is committed to sustaining a stable IT foundation, while leading a proactive, innovative team to meet rapidly changing business needs.

He began his Swagelok career as director of IT operational platforms. In 2022, he took on additional leadership responsibilities as the director of enterprise applications and data platforms, where he worked across the organization and with sales and service centers to enable business advancement with technology. Michael most recently served as the director of global products on the organization's commercial team.

Prior to joining Swagelok, Michael worked for The Goodyear Tire & Rubber Co. for 10 years, holding various leadership positions including IT director of global business operations. Earlier in his career, he worked as an independent SAP consultant.

Michael grew up in a suburb on the east side of Cleveland and earned a Bachelor of Business Administration degree in information systems from Cleveland State University.

Outside of work, Michael enjoys spending time with his two daughters and is an avid Cleveland sports fan. He also serves on the board of Towards Employment, which aims to empower individuals to gain and maintain employment.
