

# Tube Fitter's Toolbox

The Ultimate Set of Fabrication Tools

**MS-HANDTOOLS-KIT**

Make sure you have the right set of tools on hand at your job site.

You'll always be able to find the right tool for the job when you have the Swagelok® Tube Fitter's Toolbox on site. The toolbox contains a complete set of Swagelok hand tools designed for fabricating 1/4", 3/8" and 1/2" tubing systems. All of the tools are securely contained in a lockable, water-resistant case with wheels to make transporting easy. You won't want to be without this incredible set on your next project!

The M&S Number is MS-HANDTOOLS-KIT, which allows for easy ordering.

To place an order, contact your Sales Representative or call (205) 988-4812 to place an order for your own Swagelok® Tube Fitter's Toolbox. You can also order via email at [info@ALFL.swagelok.com](mailto:info@ALFL.swagelok.com).

The toolbox weighs only 44 pounds and includes:

- Swagelok Tube Fitter's Manual
