

# Tube Fitting Installation

## Essentials Training

Swagelok®

Swagelok Bangalore | Chennai | Delhi | Hyderabad

When safety, time and money are at risk, you never know when a leak could be critical. The consequences of a leak can range from a minor inconvenience to a significant event requiring immediate attention and repair. Our Tube Fitting Installation Essentials training is designed to teach students foundational fitting knowledge to minimise leakage risk and ensure the integrity of their systems.

### Topics Covered:

- Properly cut and debur tubing
- Correctly assemble a Swagelok tube fitting
- Gauge a tube fitting assembly
- Remake a tube fitting assembly
- Identify thread types and installation practices
- Properly prepare threaded installations

### AUDIENCE

Installers, Technicians, Contractors, Designers, Maintenance Associates, Engineers & Managers

### LENGTH

4 hours

### CERTIFICATE OF COMPLETION

Provided upon successful completion of written & practical examination
