Dear Friends and Colleagues,

I want to take a moment to thank all of our customers, associates, and friends for the many years of great memories, relationships, and experiences.

After more than 35 years as part of the Swagelok organization, it's time for another chapter. My wife, Kay, and I are looking forward to enjoying retirement beginning **October 1, 2026**.

I have always been a strong advocate for leading with transparency, and with that in mind, my focus is on ensuring a smooth transition of ownership for the benefit of our customers and our associates here at Swagelok Oklahoma | West Texas.

My successor, **Brian Stevenson**, is a longtime Swagelok guy as well, with more than 30 years in the organization, and he has already begun his local onboarding process.

Brian plans to communicate with you sometime in September with additional information about his company details, the upcoming transition, and any actions that may be needed to ensure continuity.

So, in closing, I can't say thank you enough for everything. It's been a privilege.

My best,

Timothy Barney
President
