

A Small Investment of Your Time =  
A Substantial Boost in  
Your Safety, Productivity,  
and Efficiency

Swagelok® Optimizing Your Productivity Series Webinars:

No charge  
to attend!

## Designing and Installing a Reliable Gas Distribution System

Your Presenter:

**Gary Osman,**  
Swagelok Field Engineer

**When:** April 14, 2021,  
10am – 10:45am

**Format:** Microsoft Teams event

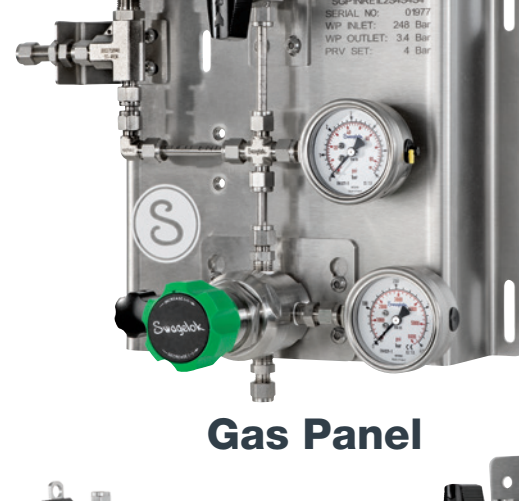

**RSVP to attend our FREE Webinar**

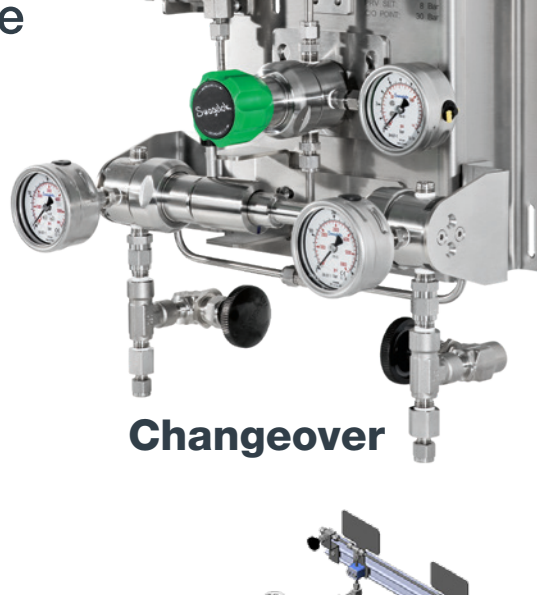

*Content designed especially for Operations and  
Analytical Managers, Engineers, Design Managers,  
and Lab and Reliability Managers and staffs!*

### You will learn:

- Why a Gas Distribution Program is your ideal solution when your system operation is not intuitive, when leakage is a concern, or when your panels are difficult to access and service
- The intricacies and purpose of various panel types: Gas Panel, Changeover, Source Inlet, Point of Use
- How certified Swagelok pressure-control fluid system advisors provide expert and timely support to save you time, money, and worry as gases are delivered from source – at the required pressure and flow – for each site application

**Gas Panel**

**Changeover**

**Point of Use**

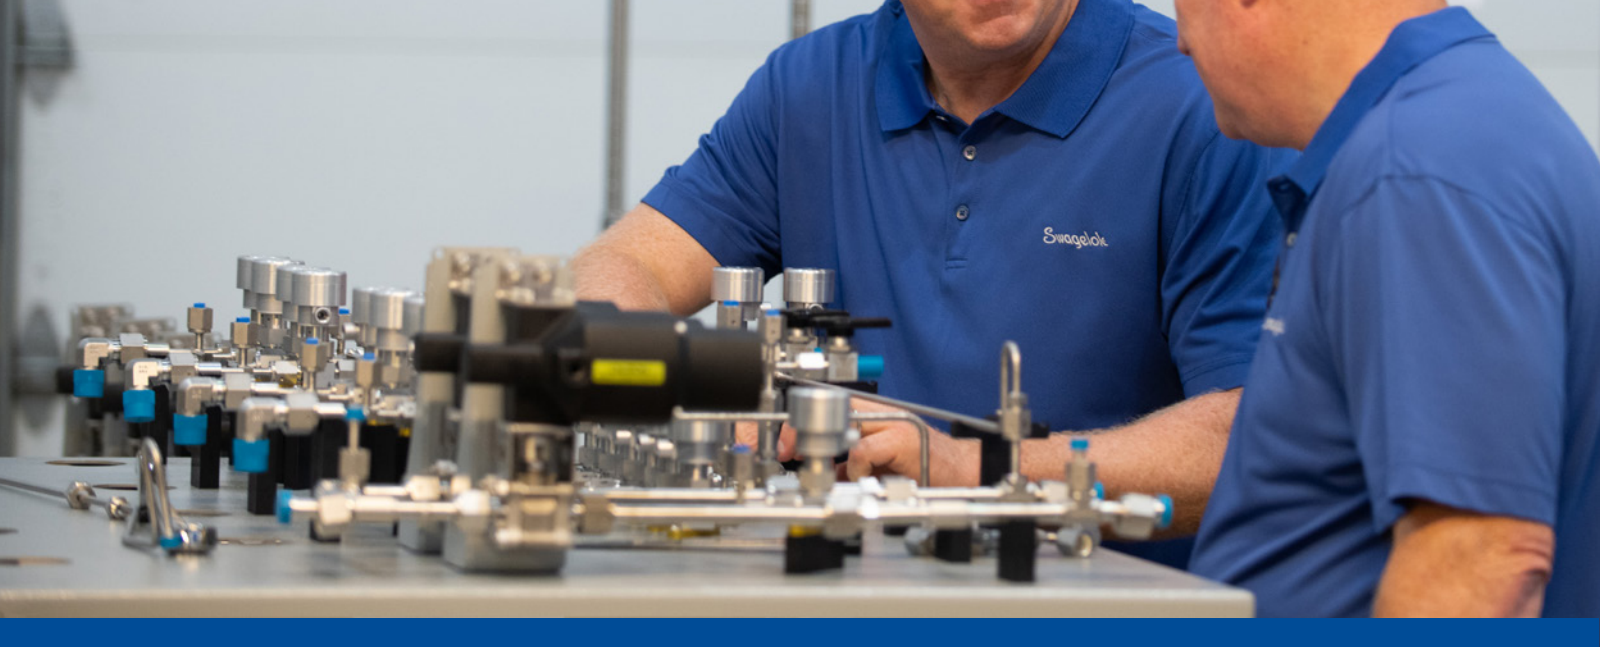

**Source Inlet**

**RSVP to attend our FREE Webinar**

### And stay tuned for our upcoming webinars:

- May 19: Mechanical Seal Support Systems
- June 16: Hose Advisory Services
- More monthly events to follow throughout 2021!

### Your Helping Hand

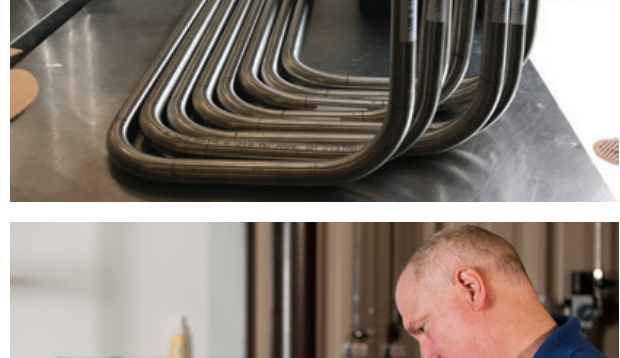

If you're short on manpower or your key personnel could be performing more critical work, our extensive, proven, and cost-effective **Swagelok® Design and Build services** could help improve your Bottom-Line health.

We can engineer and assemble safe, premium-quality, repeatable, and easily configurable fluid-system **instrumentation panels, skids, and enclosures** – including testing, inspection, and packaging – with all work 100%-certified by Swagelok Company and covered by the Swagelok Limited Lifetime Warranty.

#### Just some of our local capabilities:

- Orbital Welding
- Helium Leak Testing
- OEM Subassemblies
- CAD Assistance
- P&ID Assistance
- Complex and Simple Tube Bending
- Hose Assembly and Testing
- Sample Cylinder Assemblies
- ....and so much more!

### Our Promise:

In each and every customer engagement and interaction, no matter how challenging your application or operating conditions, we will deliver premier-quality Swagelok Fluid-System Product Solutions and value-added Strategic Services that will positively impact your Bottom Line.

### WE'RE YOUR SWAGELOK FLUID-SYSTEM SOLUTIONS PROVIDER

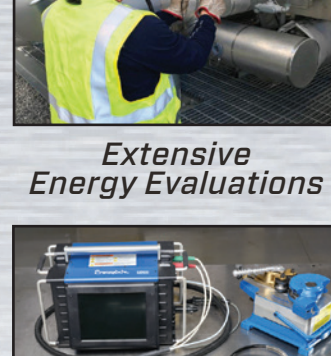

*Industry-Best  
Componentry*

*Masterful Custom  
Fabrication*

*Expert Technical  
Training*

*Extensive  
Energy Evaluations*

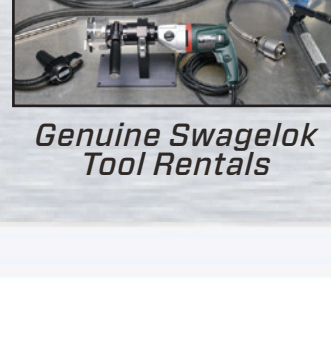

*Unparalleled  
Application Knowledge*

*Comprehensive  
Hose Advisories*

*Proven Inventory  
Management Support*

*Genuine Swagelok  
Tool Rentals*
