

1947-2022 | A FITTING LEGACY

75  
SwagelokCelebrating 75  
proud years of  
supplying, servicing,  
and serving YOU.

Since 1947, Swagelok Company has delivered the componentry and strategic support capabilities to enable you to stay safe, highly productive, and profitable in even the most challenging fluid-system applications and environments.

As your local Swagelok Sales and Service Center for more than 55 years, Swagelok Pittsburgh | Tri-State Area has earned your business and trust by passionately adhering to these **Swagelok Core Values:**

## CUSTOMER FOCUS

**Creating Value for YOU to Create Value for Swagelok**

We have the technical expertise, premium-quality, leak-tight products, and supplementary support offerings, including extensive system evaluations, renowned safety training, and masterful fabrication to help keep your people, assets, and facilities safe and your bottom line healthy.

## INTEGRITY

**Choose to Do the Right Thing with Courage and Character**

Our founder set the standard and, today, we operate knowing that each and every decision we make impacts far more than just us – but our customers and communities as well.

## QUALITY

**Provide High Value and High Performance in Our Products, Processes, and Services**

From our raw materials selection to our manufacturing floor associates and procedures, we relentlessly strive to be your first choice for safe and ultra-reliable fluid-system performance.

## CONTINUOUS IMPROVEMENT

**Systematically and Consistently Do Things Better**

We are flexible – always open to new and better ways to become more efficient and an even more valued partner to help you grow.

## RESPECT FOR THE INDIVIDUAL

**Commit to the Success of Each Associate Through an Environment Where People are Trusted, Respected, and Treated Fairly**

Our people-focused culture dictates that all Swagelok associates feel a sense of connection and pride...that they always feel welcome, supported, and valued.

## INNOVATION

**Challenge Conventional Wisdom to Create New Value for YOU**

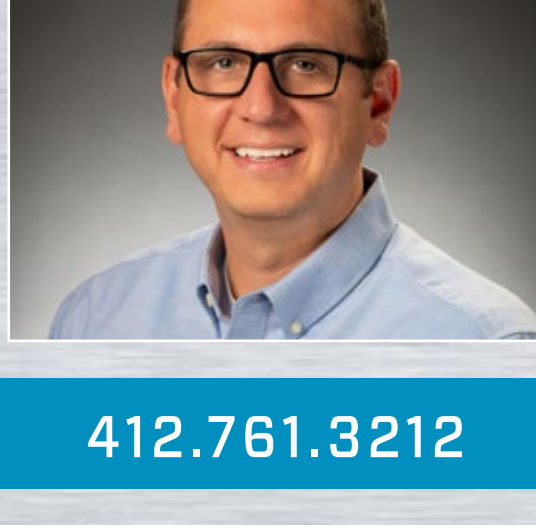

We were the first to market a revolutionary two-ferrule tube fitting that redefined the fluid-handling industry. Our unsurpassed leak-tight performances continue today – in virtually any operating condition. Plus, our unique business model of local, authorized sales and service centers supports you with vast close-by inventory and a responsive, proven helping hand when you need it.
