

and expertly  
**Custom Made.**

**IF...** you're short on overall manpower or critical equipment/skills...

**AND...** you need to get more out the door faster to sustain or outpace demand...

**BUT...** operating budgets and production schedules are a major concern...

**We Can Help.**

## KEPT PROMISES

What we do and deliver will keep your workers, facilities, and valuable assets safe.

## COLLABORATIVE PROCESS

We will work closely with you to take your initial idea to a design (or redesign) phase – using our CAD capabilities to create a model, accompanied by a Bill of Materials, that incorporates your exact specs and requirements.

## SKILLED PEOPLE

Our master designer and builders are trained and fully certified by Swagelok Company – which means every aspect of our fabrication work is covered by the renowned Swagelok Limited Lifetime Warranty. Our state-of-the-art, climate-controlled workspace and staging area includes a 5-ton overhead crane and dedicated coiling, welding, bending, wrapping, cleaning, testing, and inspection stations.

## LEAK-TIGHT PANELS

- Grab Sampling Closed-Loop and Liquid Systems
- Mechanical Seal Support Kits and Assemblies
- Gas Distribution: Source Inlet, Gas, Changeover, Point-of-Use

## FURTHER PROOF

- Gas Purge Panels and Enclosures
- Standard Instrumentation Mounting Kits
- High-Pressure Test Stands
- Heat Exchanger Tubing Coils
- Custom Flex Hose Assemblies
- Distribution Manifolds
- And so much more – even trusted CAD and P&ID support!
