

## What You Don't Know

**CAN** Hurt You

**We offer trusted and proven solutions**

**to ensure that you:**

**CHOOSE** the ideal components for a specific application...

**INSTALL** those products safely and properly...

**MONITOR** their ongoing performance so you realize an

exceptional return on your investments

**Overcome operational ineffectiveness and inefficiency!**

*We can help get you – or keep you – on track*

*for optimal productivity and profitability:*

## EXPERT Technical Support

**Call 412.761.3212**

for first-hand advice on which Swagelok panels/assemblies, tube fittings, valves, gauges, hoses, tubing, and accessories are ideally suited for your most challenging projects. Our trained, certified, and always-friendly Direct Sales representatives will provide reliable recommendations on how you can quickly reduce downtime labor and costs.

## COMPREHENSIVE Certified Training

**Call 412.439.1706**

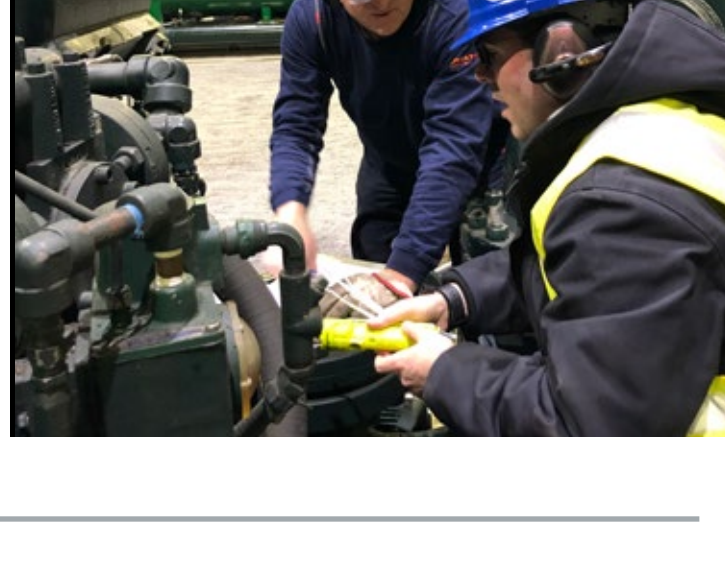

to schedule your 2023 Swagelok Safety Training event, your location or at our leading-edge, 14-seat Training Center in Pittsburgh. Our course titles include: *Tube Fitting Installation & Tube Bending Safety Essentials, Hose Safety and Selection Essentials, Valve Safety and Selection Essentials, Advanced Tube Bending, Sampling System Maintenance, Process Analyzer Sampling Systems, Orbital Welding, Advanced Materials*, and more. Remember: We supply ALL class materials!

## EXTENSIVE Evaluations and Advisories

**Call 412.761.3212**

to schedule your media-loss (gas, hydraulic fluid...) or industrial hose survey. Our Swagelok-certified auditors will visit your facility to look for and report loose/leaking fitting, pipe, and valve connections, poor hose routing/sizing/cleaning/storage practices, and more.

## MASTERFUL Custom Fabrication

**Call 412.761.3212**

to schedule a tour of our state-of-the-art Design & Build Center, featuring an overhead crane and dedicated orbital welding, swaging, tube bending, coiling, and kitting stations. In addition, we do all testing, inspection, cleaning, and packaging within our climate-controlled facility.

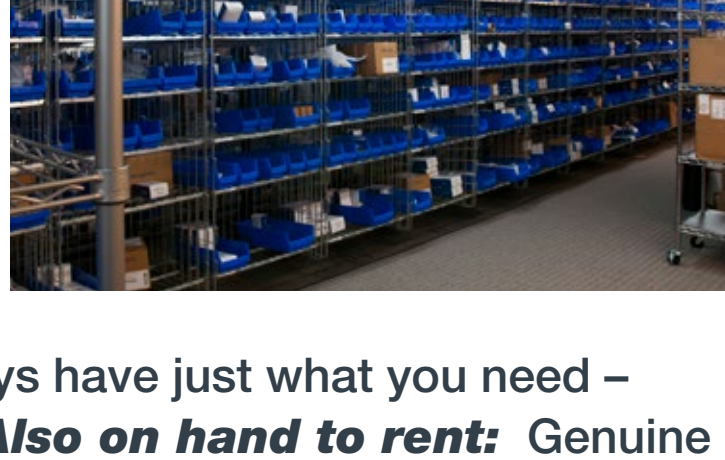

Save time, money, and worry when your production schedules get tight: Gas Delivery and Distribution Panels, Gas Purge Panels and Enclosures, Mechanical Seal Support Systems, Gas and Liquid Grab Sampling Systems, High-Volume Bent Tubing Assemblies, Custom Flex Hose Assemblies, Sample Cylinder Assemblies, High-Pressure Test Stands, Distribution Manifolds, CAD and P&ID Assistance, Simple and Highly Complex Tube Bending, Maintenance Programs, and so much more.

## ALWAYS-PLENTIFUL Inventory

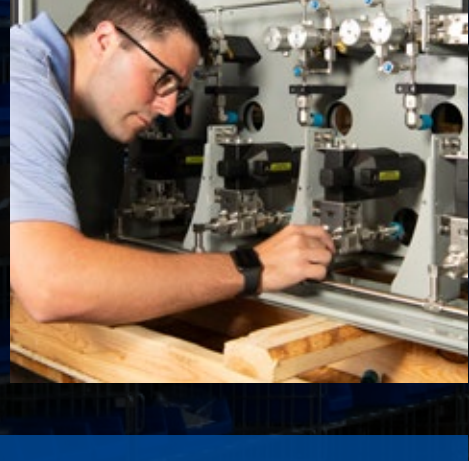

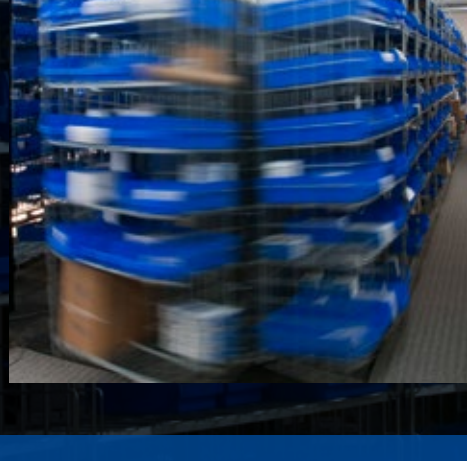

**Call 412.761.3212**

for the global fluid-system industry's highest-quality, leak-tight componentry, with over 3,000 Swagelok SKUs always in stock for will-call pickups or our 99.9+% accurate and expedient shipments to you. We're passionately committed to making sure you always have just what you need – right when and where you need it. **Also on hand to rent:** Genuine Swagelok Multi-Head Hydraulic Swaging Units, Benchtop Benders, and Orbital Welder packages.
