

Paris to Perth to Pittsburgh...

The Swagelok Brand is
Synonymous with

**Safety, Quality,
and Reliability**

For almost 80 years, **Swagelok Products and Strategic Support Services** have delivered unparalleled performance in even the most challenging Oil-and-Gas, Power Generation, Chemical, and Clean Energy applications – **globally and locally.**

Our expertise in materials science, componentry and panel design and manufacture, and overall fluid-system technical know-how makes us your first choice for the proven experience and trusted insight necessary to enable you to stay on time, on plan, and on budget, especially as you try to exceed your customer demands.
