

Rethink How You Think About Us

For almost 80 years, “Swagelok” has represented the world’s premier brand of premium-quality, ultra-reliable, leak-tight fluid-system Componentry and associated products.

BUT...

Swagelok Pittsburgh | Tri-State Area also offers these local **Strategic Support Services** to supplement the safety, economy, and overall performance our **Tube Fittings, Valves, Gauges, Tubing, Hoses, and Regulators**:

- **MASTERFUL CUSTOM FABRICATION**
- **COMPREHENSIVE SAFETY TRAINING**
- **TRUSTED ENERGY-LOSS AUDITS**
- **EXPERT HOSE ADVISORIES**
- **PRISTINE TOOL RENTALS**

Masterful CUSTOM FABRICATION

- **MATERIALS SCIENCE**

- We offer an unparalleled array of pertinent and timely course titles
- We can bring our training directly to your site or project location
- All of our classes include a full money-back guarantee
- All graduates receive a genuine Swagelok Certificate of Completion, plus several valuable take-home items
- We supply all class materials – students just need to show up

Trusted System EVALUATIONS & ADVISORIES

MEDIA LEAKAGE | INDUSTRIAL HOSE AUDITS: BEST PRACTICES FOR SAFETY, SELECTION, SIZING, AND STORAGE

Our **Energy Management Specialists** will conduct an on-site survey to identify and tag the leaking tube fitting, pipe, and valve connections that put your workers, equipment, end product, and overall profitability at substantial risk. Our certified **Hose Advisors** will closely audit your current hose usage to determine if your hose types, routes, lengths, and end connections are ideally suited to your specific applications.

Always-Available TOOL RENTALS

We lease pristinely maintained Benchtop and Electric Tube Benders, Hydraulic Multi-Head Hydraulic Swaging Units, and Orbital Welders for daily, weekly, or monthly use. Why buy new if your need is short-term or infrequent?

Put our team alongside yours
