

WORDS**Define Us...****ACTIONS****Differentiate Us****For more than 60 years,**

Swagelok Pittsburgh | Tri-State Area has delivered the goods and services to help enable you to achieve optimum fluid-system performance, no matter the application or operational challenge.

**PREMIUM
QUALITY**

Our Products are made of the finest raw materials and manufactured on the latest equipment by master technicians.

**SUPERIOR
PRODUCTIVITY**

Time after time after time, Swagelok provides the exceptional results you expect from a world-class, leading-edge brand.

**UNPARALLELED
RELIABILITY**

When you purchase Swagelok Componentry, you get the tube fittings, hoses, valves, gauges, and tubing that will yield long service life and genuine overall value.

**SAFETY
FIRST**

Everything we do and sell is to keep your workers, sites, and valuable assets safe.

**PROMISED
PROFITABILITY**

Over the long term, Swagelok products and supplemental services will save you significant time, money, and worry – no matter the market or how tough the job.

**PROVEN
HISTORY**

Since 1947, the Swagelok name has proudly and firmly stood for outstanding output in the routine to the most severe system application challenges around the globe.

**EXPERT
CAPABILITY**

We can help you choose the ideal Swagelok products for your work – as well as offer local Swagelok-warrantied Fabrication excellence and efficiency, the industry's best Safety Training, comprehensive Energy-Loss and Hose Evaluation audits, and even pristine Tool Rentals.

**TRUSTED
AVAILABILITY**

We stock more than 3,000 SKUs in our Pittsburgh Warehouse – so we always have just what you need, **right when and where you need it.**

**DEMONSTRATED
SUSTAINABILITY**

Swagelok offers a wide range of low-e products, plus in-depth technical monitoring and instrumentation expertise, to help you substantially curb fugitive and direct emissions.

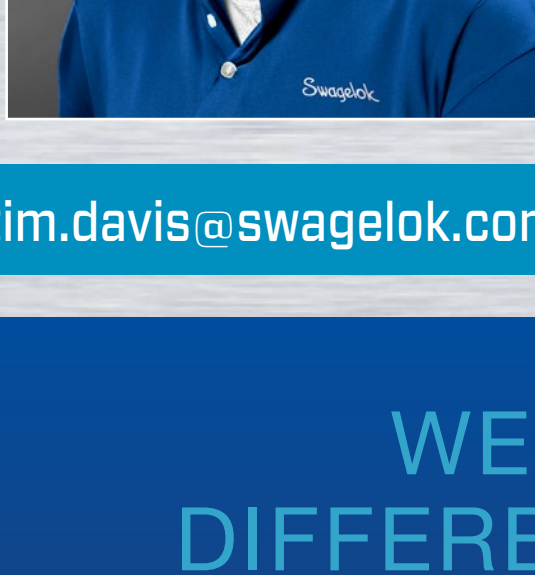

**VAST
VARIETY**

When it comes to 2" and under fluid-handling work, Swagelok provides a massive array of componentry styles and sizes – in multiple materials – to ideally align with your every application requirement.

**Put our team alongside yours**
