

99%+

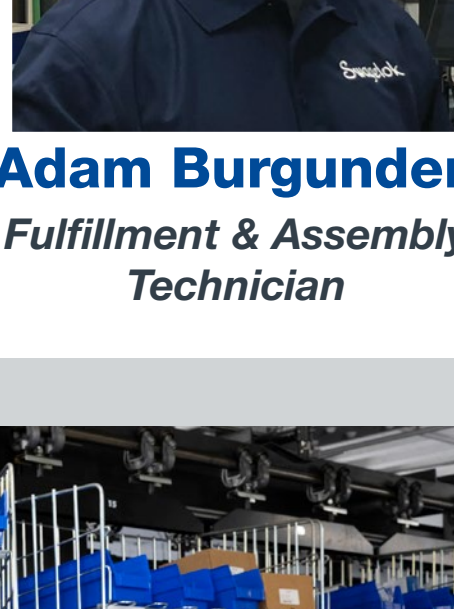

Meet our associates who ensure that you receive just what you need – right when and where you need it:

Reid Bright,
Warehouse
Manager

Jennifer Obed
Fulfillment & Service
Representative

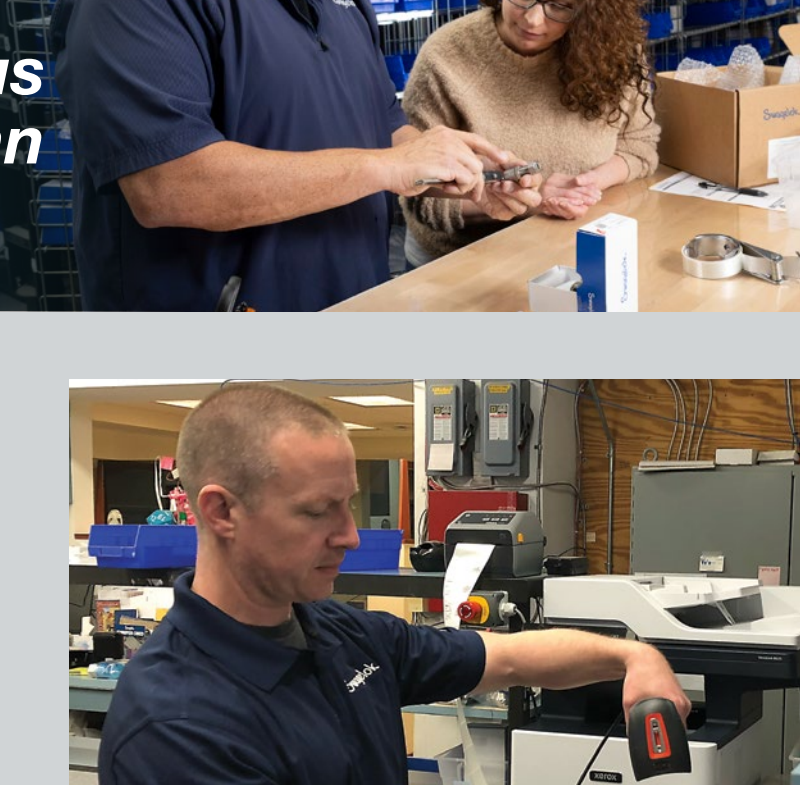

Adam Burgunder,
Fulfillment & Assembly
Technician

Once your local Swagelok Sales Representative takes your order onsite or you've called in to one of our always-friendly, highly professional Customer Service team members with your request, Reid and his team – Jen and Adam – immediately access our leading-edge business system and innovative carousel fulfillment program to **accurately** and **quickly** pick, pack, and ship your Swagelok products to you.

LOCALLY & GLOBALLY

our surveys have told us we're a supplier you can always count on!

We especially pride ourselves on our ability to get you the leak-tight, premium-quality Swagelok Componentry – right on time and exactly as expected – that will keep you safe, efficient, productive, and profitable, even in the most challenging fluid-system applications and environments.

DID YOU KNOW...

...to supplement our world-renowned Valves, Tube Fittings, Tubing, Hose, and Gauges –

WE ALSO OFFER:

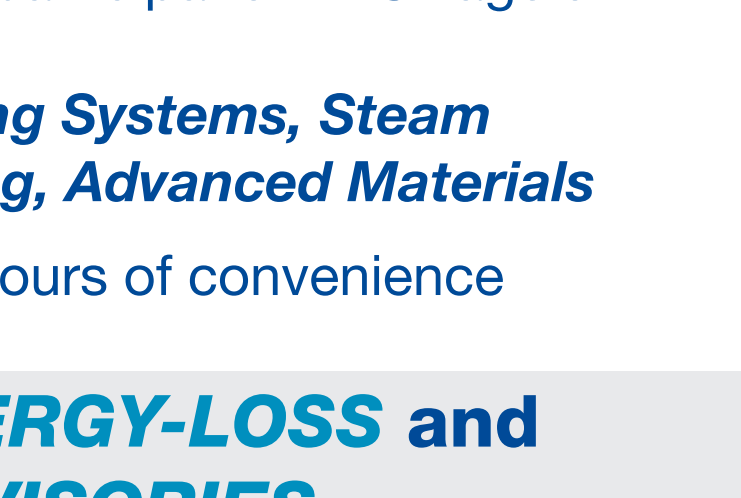

Masterful **DESIGN & BUILD** Capabilities

- Panels
- Enclosures
- Skids
- Sub-Assemblies
- Test Stands
- Complex Tube Bending
- Precise Orbital Welds
- Relief Valve Setting
- CAD and P&ID Assistance
- Cylinder and Hose Maintenance Programs

Expert Safety & Technical **TRAINING**

- **Fitting Installation & Tube Bending Essentials, Advanced Tube Bending, Valve Basics, and Hose Essentials**
