

Advantage: YOU

Swagelok Company is **built** to keep YOU safe, productive, and profitable – no matter what your industry or application challenges....

Our 4 FOUNDATIONAL PILLARS

separate us globally and locally:

- 1 SWAGELOK PRODUCTS** – tube fittings, valves, gauges, hose, tubing, instrumentation panels, regulators – deliver premium-quality, reliable, repeatable leak-tight performance that you can trust in any environment or operating conditions
- 2** We always have just the “right” products right when and where you need them
- 3** We respond rapidly right when and where you need us
- 4** We offer proven answers for your toughest jobs

At Swagelok, we believe that **QUALITY** is essential to your ultimate satisfaction and success.

Our Founder, Fred Lennon, once said that **“The price of quality is eternal vigilance.”**

Today, we keep that critical objective alive through the passionate commitment of every Swagelok associate to never rest on our laurels, to continuously improve, to always repeatedly self-check our processes and procedures...all to insure that we’re an even more valued partner to you in the future.

And don't forget our suite of STRATEGIC SUPPORT SERVICES:

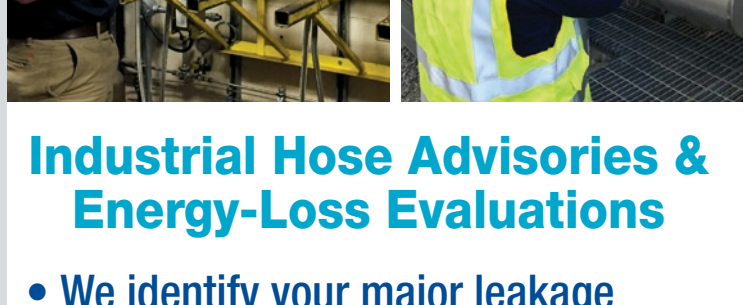

Custom Fabrication

- Sub-assemblies to large, complex skids and enclosures
- All work done by master technicians trained and certified by Swagelok Company
- Design and Build expertise, plus Orbital Welding and Intricate Tube Bending

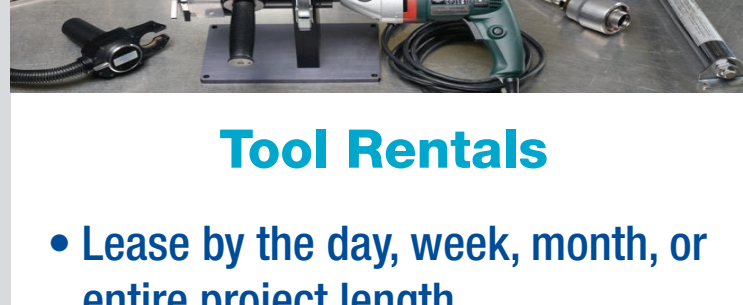

Safety Training

- Your place or at our leading-edge Pittsburgh Training Center
- We supply all course materials
- Unrivaled Tube Fitting Installation & Tube Bending classes, even Advanced Bending

Industrial Hose Advisories & Energy-Loss Evaluations

- We identify your major leakage and provide 100% trusted recommendations
- We suggest changes to optimize your current hose practices and processes
- Minimize worker injury and site/asset damage

Tool Rentals

- Lease by the day, week, month, or entire project length
- Multi-Head Hydraulic Swaging Units, Benchtop Benders, Orbital Welding Systems
- Ideal and cost-effective for short-term or infrequent use

In our next edition...

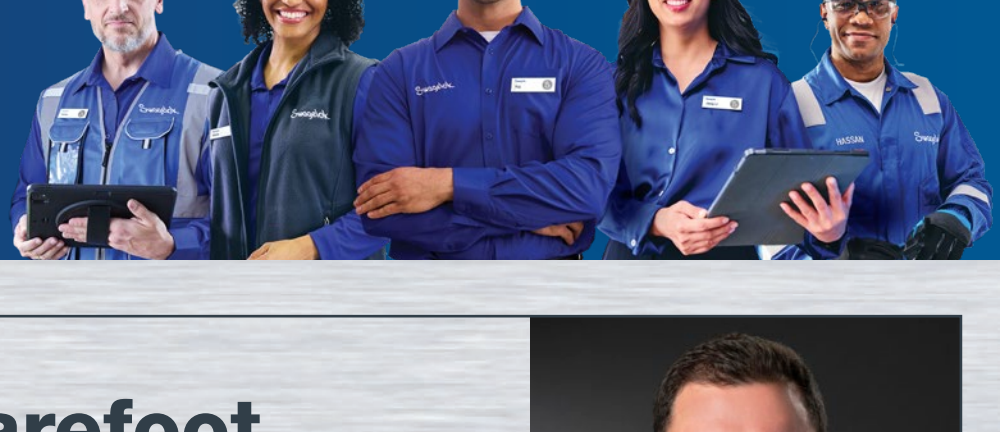

learn more about the

Swagelok Tube Fitting Advantage...

just one more way we differentiate ourselves as YOUR first-choice Fluid-System solution!
