SHIPPING  
ACCURACY

With all due respect to the All-State Insurance Company, you're indeed *In Great Hands* when you trust our Warehouse team to fulfill your orders for genuine, premium-quality Swagelok tube fittings, valves, gauges, hoses, tubing, and more. We pick it, pack it, and ship it...no matter how large, small, or urgent the product or equipment request, with the utmost care, speed, and precision...to absolutely ensure that we get you what you need - right when and where you need it.

(left to right): Andy Tedesco and Bob Heintzinger, Warehouse Associates, with Reid Bright, Warehouse Supervisor. In all, these three staffers have almost 50 years of combined experience at our distributorship.

**Reid Bright**, a 27-year SP-TSA veteran, was previously a Warehouse Manager for Koppers in Erie. He and wife, Kathy, have two sons, Ian and Sean, and a daughter, Elizabeth. In his free time, Reid enjoys golf and participating in estate sales.

**Andy Tedesco**, who joined us 11 years ago, also assists with our Swagelok Quality Assurance program. Andy and his wife, Kathy, are parents to Lily, a freshman at Penn State, and Andrew, a junior at Avonworth High School. Andy spends his spare time following his son's football games...and also likes to golf and ski.

**Bob Heintzinger**, who's been with us for some eight years, was a long-time Neville Island employee, holding such job titles as Maleic Anhydride Plant Operator and Maleic Anhydride Refinery Operator. He also worked several years there in the Hazardous Materials Warehouse. Bob has been married to Lin for 46 wonderful years. The couple has three children and seven grandkids. Bob is an avid fisherman, boater, and landscaper.

We employ a state-of-the-art horizontal carousel system - that operates on an oval track with rotating bins and shelves - that ensures prompt and absolutely reliable picking by Reid, Andy, and Bob.

**On average, we make more than 12,000 shipments per year... virtually error-free!**
