

>1 INCH?

If you're installing tube fittings larger than 1 inch – and/or bending tubing with an OD greater than 1 inch,

Swagelok has the rental gear

to ensure your ultimate fluid-system safety and performance!

MULTI-HEAD HYDRAULIC SWAGING UNIT

- eliminate galling, thread damage, and deformation worries
- reduce make-up torque by up to 70% versus manual pull-ups
- minimal physical effort required

ELECTRIC TUBE BENDER

- electronically controlled; digital display
- easy tube loading/unloading
- comes with multiple shoes

Also, always in stock, genuine Swagelok Manual Benchtop Benders and Orbital Welders! Rent our equipment by the day, week, month, or entire length of your project! **Demos included!**

SO, WHY BUY

– especially if your need is infrequent or short-term?

Our Promise:

In each and every customer engagement and interaction, no matter how challenging your application or operating conditions, we will deliver premier-quality Swagelok Fluid-System Product Solutions and value-added Strategic Services that will make you safer, more productive, more efficient, and more profitable.
