

A STRONG LINK in Your Supply Chain

During this time of global crisis, and as always, we're doing everything we can to get you what you need, when you need it, so that you - our **Essential Business** partner - can help keep us all safe and secure.

- **Our Inside and Outside Sales associates** are working from home - and seamlessly handling your Quote, Order, and Technical Assistance requests.
- **Our Fabrication Shop associates** are working a split shift - someone is onsite from 6am until 6pm to ensure that we deliver your panels and assemblies to promised deadlines.
- **Our Warehouse associates** are working a modified onsite schedule - to ensure that we make accurate shipments on time as you've come to expect from us for almost 60 years.

We are strictly following all recommended daily sanitization, Social Distancing, and other practices established by the Center for Disease Control and Prevention - so that we stay safe and healthy to keep you supplied with genuine Swagelok componentry and strategic support services.

We remain open and HERE for you. After all, we're all in this together - and together we'll all get through this challenging time.
