

Values-Driven. Value Delivered.

Your best – and safest – choice is to always trust a brand that lives and conducts business by core values aligned with yours.

All facets of the Swagelok Company, without exception, operate globally and unwaveringly by these six critical tenets:

- **INTEGRITY:** Choose to do the right thing with courage and character.
- **QUALITY:** Provide high value/high performance in our products, processes, and services.
- **RESPECT:** Commit to the success of each associate through an environment where people are trusted, respected, and treated fairly.
- **CUSTOMER FOCUSED:** Create value for the customer to create value for Swagelok.
- **INNOVATION:** Challenge conventional wisdom to create new value for customers.
- **CONTINUOUS IMPROVEMENT:** Systematically do things better.

That means that you can always count on us to do what we say we're going to do...to be there for you with premium-quality products and expert technical application support that will keep your workers and facilities safe and highly productive...to be there for you with value-added strategic services that will significantly improve the efficiency, effectiveness, and overall profitability of your business.
