

When it comes to providing
GENUINE SOLUTIONS for your
FABRICATION CHALLENGES,

we can do
SIMPLE
– or we can deliver
COMPLEX.

IF...

...your panel, enclosure, skid, or assembly project is costing too much, taking too long, or tying up too many of your critical resources...

...you lack the necessary machinery, specialized skills, or available labor...

...scrap, rework, and other inefficiencies are hampering your overall productivity and profitability...

WE CAN HELP YOU RAPIDLY REALIZE A HEALTHIER BOTTOM LINE!

Design through final product, we have the expertise, experience, and facilities to assist you with getting more out the door...on-time, on-plan, and within-budget:

- Gas Purge Panels/Cabinets
- Distribution Manifolds
- Pump Seal Cooling Lines
- Tube Bending
- Orbital Welding
- Hose Assembly
- Cylinder Assembly
- Standard Instrumentation Mounting Kits
- OEM Sub-Assemblies
- Regulator Panels/Changeover Manifolds
- ...and SO much more!

Our proven technicians are Swagelok-certified.

Thus, all of our Fabrication work is 100%-backed by the **Swagelok Limited Lifetime Warranty** – with all non-electrical components free from material and workmanship defects for the life of the product.
