

INSURE YOUR SWAGELOK INVESTMENT

In even the most challenging fluid-handling applications and operating conditions, genuine Swagelok componentry delivers unequalled safety, leak-tight performance, and efficiency – ***when properly installed and maintained.***

Thanks for your ongoing confidence in the premier – and only – brand that we sell. But why not ensure that your Swagelok products **always** provide superior value and the expected return for your spend? In just one day, we'll show your Maintenance Technicians, new-hires as well as veterans, the absolute **Best Practices** for assembling/inspecting fittings and bending tubing of various materials.

Our comprehensive hands-on class, available **at your site** or at our leading-edge Pittsburgh Training Center, gives you peace of mind that your workers will perform their duties safely and productively – no matter what your industry or machinery.

Enroll today to safeguard your top-quality Swagelok purchases:

***Call 412.439.1706
or click here to email
rudy.frank@swagelok.com***

- **We supply ALL course materials: consumables, manuals, tools.....**
- **Graduates receive TWO Certificates of Completion for just ONE day of training.**
- **All Swagelok classes count toward Continuing Education Credits.**
- **Start/Stop times are always at your hours of convenience.**

Learn from our expert: Instructor Mike Gagel is a 20-year Swagelok Factory associate who helped author much of Swagelok's global technical training content.

Our Promise:

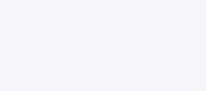

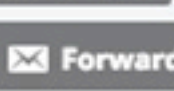

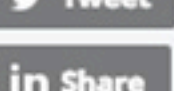

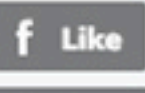

In each and every customer engagement and interaction, no matter how challenging your application or operating conditions, we will deliver premier-quality Swagelok Fluid-System Product Solutions and value-added Strategic Services that will make you safer, more productive, more efficient, and more profitable.
