TUBE FITTINGS | VALVES | GAUGES | HOSES | TUBING | REGULATORS | MANIFOLDS

Since 1947, Swagelok products have provided unparalleled reliability, durability, and performance in even the most challenging fluid-handling applications and environments. No matter what your industry – Oil & Gas, Chemical, Petrochemical, Steel, Power, or Applied Research – we offer unique solutions and support to help relieve your most demanding operational pressures: knowledge drain, diminished resources, system inefficiencies, and worker/site safety.

MASTERFUL Custom Fabrication

PANEL/SKID DESIGN AND BUILD | SIMPLE TO COMPLEX ASSEMBLIES

- *state-of-the-art, 5,000-square-foot working and staging area*
- *5-ton overhead crane, with 18-foot clearance*
- *climate-controlled environment*
- *dedicated swaging, bending, coiling, orbital welding, and kitting stations*
- *complete testing, inspection, cleaning, and packaging stations*

Mike Gagel
Strategic Services Specialist

- We offer an unparalleled array of pertinent and timely course titles.
- We can bring our training directly to your site or project location.
- All of our classes include a full money-back guarantee.
- All graduates receive a genuine Swagelok Certificate of Completion, plus several valuable take-home items.
- We supply all class materials – students just need to show up!

We also facilitate your enrollment in Swagelok-conducted multi-day Sampling System training events. Visit swagelok.com for a complete list of class titles, times, locations, and agendas.

TRUSTED SYSTEM Evaluations & Advisories

MEDIA LEAKAGE | INDUSTRIAL HOSE AUDITS:
BEST PRACTICES FOR SAFETY, SELECTION, SIZING, AND STORAGE

Our **Energy Management Specialists** will conduct an on-site survey to identify and tag the leaking tube fitting, pipe, and valve connections that put your workers, equipment, end product, and overall profitability at substantial risk. Our certified **Hose Advisors** will closely audit your current hose usage to determine if your hose types, lengths, and end connections are ideally suited to your specific applications.

ALWAYS-AVAILABLE Tool Rentals

We lease pristinely maintained Benchtop and Electric Tube Benders, Hydraulic Multi-Head Hydraulic Swaging Units, and Orbital Welders for daily, weekly, or monthly use. Why buy new if your need is short-term or infrequent?

PROVEN Application Expertise

*Let us help you choose the optimum Swagelok componentry or fabricated assembly for your particular application - no matter how complex or routine your job. Our trained and friendly Technical Sales and Support Team provides reliable recommendations on how you can confidently and quickly reduce operational downtime and other major system inefficiencies. Whatever your fluid-system challenge, we have the technical know-how and always-on-hand inventory to enable you to get more done safely: **on-time, on-plan, and on-budget!***
