

## Engineering Services – Field Engineer

Swagelok employs a team of engineers throughout the world as an extension of our headquarters in Solon, Ohio. Their mission is to be the technical liaison and advocate between the customer, our distributor network, and the factory by providing an extension of Swagelok engineering resources. Their primary focus is to provide technical expertise through a sound understanding of our customer's applications.

### Newton Pereira

**Home City:** Dubai, UAE

**Degree:** BE Electronics & Communication Engineering

**Joined Swagelok:** October 2023

**Supporting Regions:** Middle East & North Africa

**Cell Phone:** +971569847097

**Email:** newton.pereira@swagelok.com

### Background:

Newton joined Swagelok UAE in October 2023 as a Technical Service Engineer. He brings over eight years of experience in offshore inspection, with a strong track record in inspecting subsea pipelines and offshore platforms across the GCC region.

In his previous roles, Newton supported customers through pre-sales and post-sales activities, including the installation, modification, and repair of complex electronic equipment and systems.

As a Field Engineer, he has extensive hands-on experience in fluid system inspection, installation, and technical support within industrial and oil & gas environments. He is skilled in conducting system integrity assessments, troubleshooting field challenges, and delivering safe, reliable, and efficient engineering solutions. Newton is recognized for his technical expertise, problem-solving capabilities, and effective collaboration with clients and site teams.

### Services:

- Fluid system Evaluation & Advisory
- Grab Sampling & Gas Distribution Evaluation
- Onsite Collaborative problem solving
- Regulator Selection & Sizing
- Tube Fitting Installation, Tube Bending, FK Series & C&T Trainer

### Market Expertise:

Oil, Gas & Chemical

### Product Knowledge:

General Product knowledge, Tube & Pipe Fittings, Valves, Regulators, Hose

### Personal:

Newton enjoys outdoor activities, watching and playing cricket and spending time with family and friends.
