CERTIFICATE NO.: 19-1016480-107, Rev. 0

This Certificate consists of 2 pages

KIWA INSPECTA AB

hereby approve that the Manufacturer

Swagelok Company

for pressure equipment assessed under

EU Type-Examination Certificate(s) No: **19-1016480-103**

have the right to perform In-house inspection service according to the attached specification regarding product type/types and associated audits according to MSBFS 2011:3 (2010/35/EU) and ADR 1.8.7.6 at the following production facilities:

Swagelok Company (Atlantic)
26651 Curtiss Wright Parkway
Willoughby Hills, OH, U.S.A.

The following equipment/products are concerned:

Sample cylinders (internal volumes: 40-3785 ml)

For approval, the following conditions apply:

- The arrangement of the in-house inspection service and documentation, cannot be altered with respect to the documents that have been a basis for the application, without written approval from Kiwa Inspecta AB.
- Periodic audits shall be carried out Kiwa Inspecta AB, minimum twice in a 12 month period.
- Responsible for the in-house inspection service is (name and title): Steven Volcansek, Manager Corporate Product Compliance

This certificate is valid until: 2023-04-07

Under the condition that above given terms are fulfilled and that the regulations in MSBFS 2011:3 (2010/35/EU) have been taken into account and that the regulations in the same are not changed. The manufacturer is allowed to affix the "π" mark followed by the Notified Body number 0409 (Kiwa Inspecta AB) to the approved equipment described in the chapter 3 of the TPED Directive (2010/35/EU).
