

# 60 Series Stem Replacement

This stem replacement kit must be used with the proper 60 series seal maintenance kit. Replace the used stem when it is removed per the seal maintenance kit instructions with the stem provided in this kit.

Refer to product literature or contact your Swagelok representative to determine the proper seal maintenance kit.

The Swagelok logo is written in a stylized, cursive font. The letters are thick and black, with a registered trademark symbol (®) at the end of the word.
